Push down on the shank, then pull open. Scramble all four dials, then re-lock.

**REGULATIONS GOVERNING  
VISITATION OF THE PINNACLES DEVELOPMENT  
CITY OF DANVILLE, VIRGINIA  
276-251-5141**

1. Visitors are admitted to the property at their own risk and hazard. Visitors agree to hold the City of Danville harmless for any injuries, death, or loss of property.
2. Admittance to the property will be permitted only at times when an employee of the Dept. is in attendance unless special permission is granted. In general these hours are limited to 8:00 A.M. - 5:00 P.M.
3. No fires shall be permitted and extreme caution shall be exerted to extinguish all cigarette butts and matches.
4. Instructions of the representatives of the Div. of Power & Light must be followed.
5. Visitors shall refrain from leaving any litter whatsoever on City of Danville property.
6. Visitors shall close and lock any gates unlocked and opened by the visitor.
7. No alcohol or drugs permitted.
8. No swimming, hunting, firearms, fireworks or dogs permitted.
9. Only small boats that can be hand carried to the water should be taken beyond the gate. Boat motors should not exceed 5 H.P.
10. If the parking area at a dam is full, visitors are expected to leave their vehicles outside the gate.
11. Please note that the parking areas at both dams are small, and the access roads are narrow and winding with a vertical rock wall on one side. Vehicles larger than a pickup or short body motor home may have difficulty negotiating these access roads.
12. Pedestrian traffic only off of paved roadways, i.e., no bicycles, motorbikes or all-terrain vehicles (ATV's), etc.
