Note: Bidder shall acknowledge receipt of Addendum No. 001 on the Bid Proposal Form.

This question was submitted for clarification. **Does the detached accessory structure on the right side of the lot need to be demolished along with the house? Does the short retaining wall and fence attached to it need to be removed?**

The response to this is as follows: **The detached accessory structure does need to be removed along with the house. The short retaining wall and fence needs to be removed with the house.**

All other specifications remain the same.
